

About Us

Artists To Watch (ATW) is a well-established greeting card company that collaborates with independent fine artists to create beautiful greeting cards that carry good wishes into the world. You can find our greeting cards all over the U.S. and Canada in boutique gift shops, card shops, paper shops, co-ops, grocery stores, book stores, and more. We proudly offer greeting cards for most occasions: from birthday and encouragement to thinking of you and sympathy. We look forward to continuing our work with you, and we welcome our new customers to share in the artistry of our greeting card line.

We believe in connection, and we know how special it is to send and receive a handwritten greeting card in the mail. ATW values all the relationships with our artists, our vendors, our sales reps, our shops and customers, and within our staff. We know that by being true to our intentions of open communication, integrity, and respect, ATW crafts greeting cards that everyone who is part of our process can be proud of. From receiving beautiful artwork from our independent fine artists, through the many stages of production and sales, to your shop's order being packed with care at our warehouse, we center connection as the guiding value of our company.

ATW strives to be environmentally conscious by using recycled content paper, vegetable-based inks, and printing in our hometown, Minneapolis, to reduce our carbon footprint. Sustainability is at the top of our list. We use only responsibly sourced paper in the making of our cards, boxed notes and packaging. We respect our world and environment by recycling, reducing, and reusing at every opportunity!

We launched another brand of gifts and greeting cards called Fun Folks! ATW created Fun Folks to add a fun and playful line to our offerings. With Fun Folks, we are focused on inclusion and adding positive messages to our ever-changing world. Join in the Fun!

Thank you for being part of Artists to Watch and Fun Folks! Please enjoy our catalog.

The Artists

ADAM SWANSON

Cloquet, Minnesota

Instagram: @AdamSwansong

Adam's work addresses the future, the fragility of the human presence, the perseverance of nature and the underlying threads of danger woven through societies.

He believes there is a deep relationship between art and science and that the more we learn about our surroundings, where we came from and who we are, the more likely we will be to thrive in a universe of endless possibilities.

ADAM TURMAN

Minneapolis, Minnesota

Instagram: @Adam Turman
Photographer: Easton Green, MN Daily

Adam Turman is a Minneapolis artist, illustrator, muralist, and screen printer who got his start as an artist by making gig posters for bands coming through popular Twin Cities venues.

After working as an in-house graphic designer for the U of M, Adam took his studio practice full-time in 2003.

When you think Twin Cities art, you think of Adam Turman. Notably, his work celebrates a love of the great outdoors. Adam's murals can be found all over Minnesota and his prints in private collections worldwide.

AKI SOGABE

Bellevue, Washington

Aki was in middle school when she imitated a paper cutting illustration from a newspaper using origami paper. She has continued and introduced kiri-e (paper cutting) to the Pacific Northwest in 1978. Her works are included in the collections of many corporations, organizations, schools and universities. Her public art is installed in the Pike Place Market and Uwajimaya Village in Seattle. She is also known as a children's book illustrator.

AMY RICE

Minneapolis, Minnesota

Instagram: @amyriceart

Beginning with not so traditional printmaking methods (hand cut stencils and Japanese Gocco print-making toy) mixed media artist Amy makes one-of-a-kind pieces by employing acrylic, gouache, ink and collage.

Her canvases range from weathered wood panels and found objects to antique envelopes, age-worn love letters, and journal pages.

ANGIE PICKMAN

Lawrence, Kansas

Instagram: @angiepickman

Angie Pickman, who resides in Lawrence, Kansas, is a nationally recognized cut paper artist who combines the art of traditional paper cutting with collage to create intricately detailed works of art and animations. She received her master's degree in 2004 from Tisch School of the Arts at New York University. She exhibits at galleries and art fairs nationally, does illustration, animation and design work, conducts public presentations on her art, and teaches various art classes and workshops.

BEBE KEITH

St. Paul, Minnesota

Instagram: @bebekeithdesigns

Bebe is a self-taught artist who likes to laugh. She loves creating and is always looking for ways to stretch and grow as an artist and as a human. For years she did stained glass mosaics, but then she tried making a mosaic with paper and now works in paper mosaics. Along with the paper mosaic collages, she is currently creating portraits with watercolors. She has written and illustrated several books. Bebe has done a lot of public artwork as well, and her designs can be found in hospitals, airports, event centers, libraries, colleges and more!

The Artists

CC BARTON

Denver, Colorado

CC believes that imagination is the most important tool in her kit. It informs every aspect of her work, from the elements of composition to the choice of colors in her palette and finally, how she chooses to portray her subjects.

CC's work and ideas come from her desire to make something beautiful. She hopes that her work will in some way enrich the lives of others.

CHAMIRA YOUNG

Port Huron, Michigan

Instagram: @chamiralocs

Chamira believes that art can be a powerful tool for healing and comfort. It can turn a cold sterile hospital into a warm therapeutic setting or a bare home into a warm sanctuary. She is constantly inspired by God's creation all around her in the natural world.

Chamira received her Bachelor of Fine Arts at the University of Michigan. She currently uses a combination of watercolor, photography and digital techniques, the result having an expressive, emotional effect.

DAN WIEMER

Red Wing, Minnesota

Dan is a landscape artist capturing his love of the natural world.

Dan trained as a graphic designer (with a BA from Iowa State University), and was past president of the Minnesota Watercolor Society. He plays with shapes and textures, finding the rhythms in a scene. Working with acrylic and watercolor he interpretively distills, stylizes, and translates when he paints. "For me, the process is the product. I want my work to reflect an energy and directness."

HEATHER RENAUX

Minneapolis, Minnesota

Instagram: @heatherrenauxart

Heather works to impart a sense of magic in her visual storytelling; a blend of edginess and whimsy. Capturing a feeling in her paintings is important to her. To capture a feeling and a story is her ultimate goal, the thing she is always working toward. These two elements combined, narrative and emotion, pull viewers into a painting and beg them to spend some time there. Making this connection with my audience is how she experiences purpose in her life.

IRIS SCOTT

Youngsville, New Mexico

Instagram: @IrisScottart

Iris has received worldwide acclaim for her unique technique of oil finger painting. She is known best for her iconic shakin' wet dogs. Her repertoire of subjects is varied however lush movement seems to permeate nearly all her compositions. Iris's portfolio is optimistic, colorful, and nature-focused at a time when the art world is finally beginning to grow tired of minimalism. Iris's work is ahead of the curve as her paintings echo the most important force in the universe: love.

JIM BRANDENBURG

Ely, Minnesota

Instagram: @jimbrandenburg

Jim's stunning photographs capture the beauty and magic of the natural world. He is one of the premier wildlife photographers in the world and a dedicated environmentalist.

LAURA WILDER

Rochester, New York

Instagram: @laurawilderart

The Artists

NICK WROBLEWSKI

Duluth, Minnesota

Instagram: @woodcutnick

Nick is a Midwest-based printmaker specializing in hand-cut woodblock prints. His images are depictions of the natural world, carved from large blocks of wood and printed one color at a time.

He uses a traditional method of carving away more material as the print progresses, resulting in the eventual elimination of the textured image on the block.

He is interested in art that is hand-hewn, that shows the gesture of a landscape.

PATTI BALLARD

Orlando, Florida

Instagram: @pbsartstudio

Patti has always been an artist. Tracing, coloring and imitating cartoons from TV are some of her earliest memories.

Patti's mixed media art ranges from gouache paintings to torn paper collages and a little bit of everything in between. Her love of grunge, texture and anything vintage, as well as her obsession with paper, drives her to incorporate all of these elements into her self-described quirky realistic and whimsical art.
